

Waterville Valley
Conservation Commission Board

Minutes for Thursday, June 1, 2017 4pm

Called to order 4:04

Present: Mike Furgal, Irit Levy, Chris Bierbrier, Martha Plante, Rich Rita, ex officio
Jean Mullen, Bob Wildes are absent.

Seating alternates: Martha Plante, Chris Bierbrier

the minutes of March 23, 2017 are accepted.

Old business:

Upon examining the new CC Observation Report, Martha discussed the water runoff on Cascade Ridge Road; Martha can fill out a report (as a test) and the board can then modify it in the future, if needed. The current form is approved.

Martha can speak to Sharon: How can residents fill out forms easily and send to CC members?
Can we add Chris Hodges to the emails?

There is a need to inform people about buffer zones: if someone owns land 10' from the river, what are the restrictions? There is a need to learn how the river is managed (state or town?): what can be done & what cannot be done. A notice sent to residents in water bills may be helpful

Chris Bierbrier will look into the buffer zone & waterways.

New Business:

Item #6 is tabled until Mark Decoteau can comment on it. Members will review the executive summary for the master plan and review it in September.

Voted to accept the CC by-laws as amended at the meeting today.

Next meeting is Thursday, September 7 at 4pm

Adjourned at 4:47
