

Conservation Commission of Waterville Valley November 7, 2018 minutes

Call to order at 5:01

Attendance: Dan Newton, Martha Plante, Mark Decoteau, John Recine, Chris Bierbrier, Irit Levy, Mike Furgal

Review minutes from October 3, 2018 meeting; minutes approved.

Old Business: Conservation handbooks from Mark Decoteau; Mark will scan copy that Martha brought from NHACC conference & send it by pdf to all. When the new version comes out, we will purchase them.

NRI - Martha's report on the NH conference

Ask the SelectBoard re: \$1000 instead of \$500 funds to be appropriated to our fund

Martha will invite Rick Van de Poll to our next CC meeting. We'll aim for week of Dec 17 -Mark can share the existing info so that Rick won't need to redo it all. NRI can include a chapter

of the Forest Service's ten year plan for the 40,000 acres (which WV does not have authority over). We will focus on our 500+ acres.

CC needs to share information on taking care of the river, for example.

New business: Review Policy & Procedure Manual of Milford, NH; we need a discussion on the responsibilities of the CC.

We can have a subcommittee of 2 to review the manual. Or, we can each take it home & review the comments and meet to discuss at the next meeting.

Other new business: 2019: new "Parks and Grounds" will be the Rec Dept revamped. Outline of the plan will be presented at annual meeting; included will be a trail guide, walking trail, additional website for the town. More attention will be paid to trail system, starting with Corcoran Pond. And incorporate FS plans for mountain biking.

Next scheduled meeting: week of Dec 17 - aiming for Dec 19 at 5pm.
