

**TOWN OF WATERVILLE VALLEY
MUNICIPAL SOLID WASTE COMMITTEE MEETING
Tuesday, November 2, 2021 at 4:00 pm
Meeting at Municipal Building**

MSWC minutes of November 2, 2021

Attendees: Amy Dill, Mike Koppel, Mark Decoteau , Irit Levy, Wendi Rathgeber, Rebecca Hastings, Rich Rita

Called to order 4:03

Steve Royer is introduced as a new town administrator services manager.

Privilege of the floor: Tory of BBTS spoke of the need for trash receptacle and a bathroom for all the town hikers/ guests that have been using school property.

Big Bellies can be considered. Get more info. We have until the December meeting to make recommendation to the 2022 budget.

Where to best locate a Big Belly? Large parking lot?

Discussion ensued regarding a composting machine, Bio Speed, Instant Composter. Costly @ 49K, plus maintenance costs, employee, etc.

We need to look at other resort towns to see how they compost – Stowe?

Discussion regarding Campton/Thornton transfer station. WV needs to keep an eye on any major restrictions since we may get affected by the increased numbers of those residents coming here to use our facilities.

Mission & Vision statements were approved as amended.

Updates: Recycling Committee meets Dec 14.

Trex sent us 3 official Trex bins. The school has one, Brooke wants one for the Rec Ctr, and one will go inside the PO. The problem is that trash is being thrown into the converted trash cans.

Next meeting is Tuesday Dec 7
