

## **Osceola Library Circulation Policy**

Waterville Valley residents, property owners, and seasonal residents are eligible for free borrowing privileges. All borrowers must have an active borrower card on file at the library with current address, phone, and email information. Our borrowing period for all items is 2 WEEKS.

In order to have a more equitable circulation of new books, especially during the busy summer season, each borrower is limited to TWO books at a time from the “New Book” section. (This limit does not apply to other books in the library collection).

### **Late charge on books?**

We don't have one, but...

\*A small donation would be appreciated.

### **Downloadable Books**

Waterville Valley residents and property owners are eligible for downloadable audio and eBooks via the NH State Library App Libby Email [wvlibrary@watervillevalleynh.gov](mailto:wvlibrary@watervillevalleynh.gov) for information on opening a free Libby account.

Thank you,

***Osceola Library Trustees***

\*Borrowers with seriously overdue items may have borrowing privileges suspended per order of the trustees of the Osceola Library until items are returned.
