

# **Osceola Library Circulation Policy:**

Waterville Valley residents, property owners, seasonal residents, and those employed in Waterville Valley or vacationing in Waterville Valley are eligible for free borrowing privileges. All borrowers must have an **active borrower card** on file at the library with current address, phone and email information.

Our **borrowing period** for all items is **2 WEEKS**.

In order to have a more equitable circulation of **new books**, especially during our busy summer season, each reader is limited to **TWO** books at a time from the “**New Book**” section. (This limit does not apply to books located elsewhere in the library.)

## **Late charge on books?**

We don't have one, but...  
A small donation would be appreciated.<sup>1</sup>

## **Downloadable Books**

Waterville Valley residents and property owners are eligible for downloadable audio and ebooks via the NH State Library Overdrive downloadable book service . Email [wvlibrary@watervillevally.com](mailto:wvlibrary@watervillevally.com) for information on opening a free Overdrive account.

Thank you,  
*Osceola Library Trustees*

---

<sup>1</sup> Borrowers with seriously overdue items may have borrowing privileges suspended per order of the trustees of the Osceola Library until books are returned.
